

MASTERLEO INC.

**National Instrumentation
Sales and Service Provider**

- Sanitary Process Instrumentation
- FDA Compliant Products
- PMO Regulatory Controls

- Sanitary Flow Measurement
- Cost Saving Applications
- Process Automation & Control Solutions

- Instrumentation & Analytics
- Measurement Products & Solutions
- Process Recording & Control

- Temperature Measurement Solutions
- RTD's, Thermocouples, & Analog Transmitters

- Bimetal & Digital Thermometers
- Temperature & Pressure Instrumentation

- Pasteurization Testing Systems
- Level, Pressure, & Temperature Measurement

- Human Machine Interface (HMI)
- Customer Specific Solutions
- Communication Compatibility & Integration

- UV Absorption & Concentration Sensors
- PH / ORP & Inline Conductivity Sensors
- Cost Saving Applications

- Wireless Technology Solutions
- Wireless Input / Output (I/O)
- Wireless Modems & Gateways

SERVICES PROFILE

VALUED BUSINESS PARTNER

Regulatory Compliance

- 40 Years Industry Knowledge & Expertise
- Working Knowledge & Understanding of Federal / State Regulations
- Expertise in PMO (Pasteurized Milk Ordinance) Related Applications

National / International Service & Support

- On-Site Preventative Maintenance
- Audit Services
- Instrumentation Calibration & Repair
- 24 / 7 Emergency Support

Project Management

- 3rd Party Vendor Management
- Budgetary Control & Projections
- Coordination with Regulatory Personnel > Certifications

New Product Development & Integration

- Wireless Integration
- PLC & Control Integration
- Cost Saving Applications >
 - Custody Transfer
 - SMARTSWITCH

Procurement

- Global Instrumentation Supplier
- 30 + Manufacturer Partnerships
- Product Research & Consultation

Training

- Formal On-Site Classroom Training Modules
- PMO Controls & Instrumentation Training
- New Products & Application Training
